# Foreword

Greetings and warm regards,

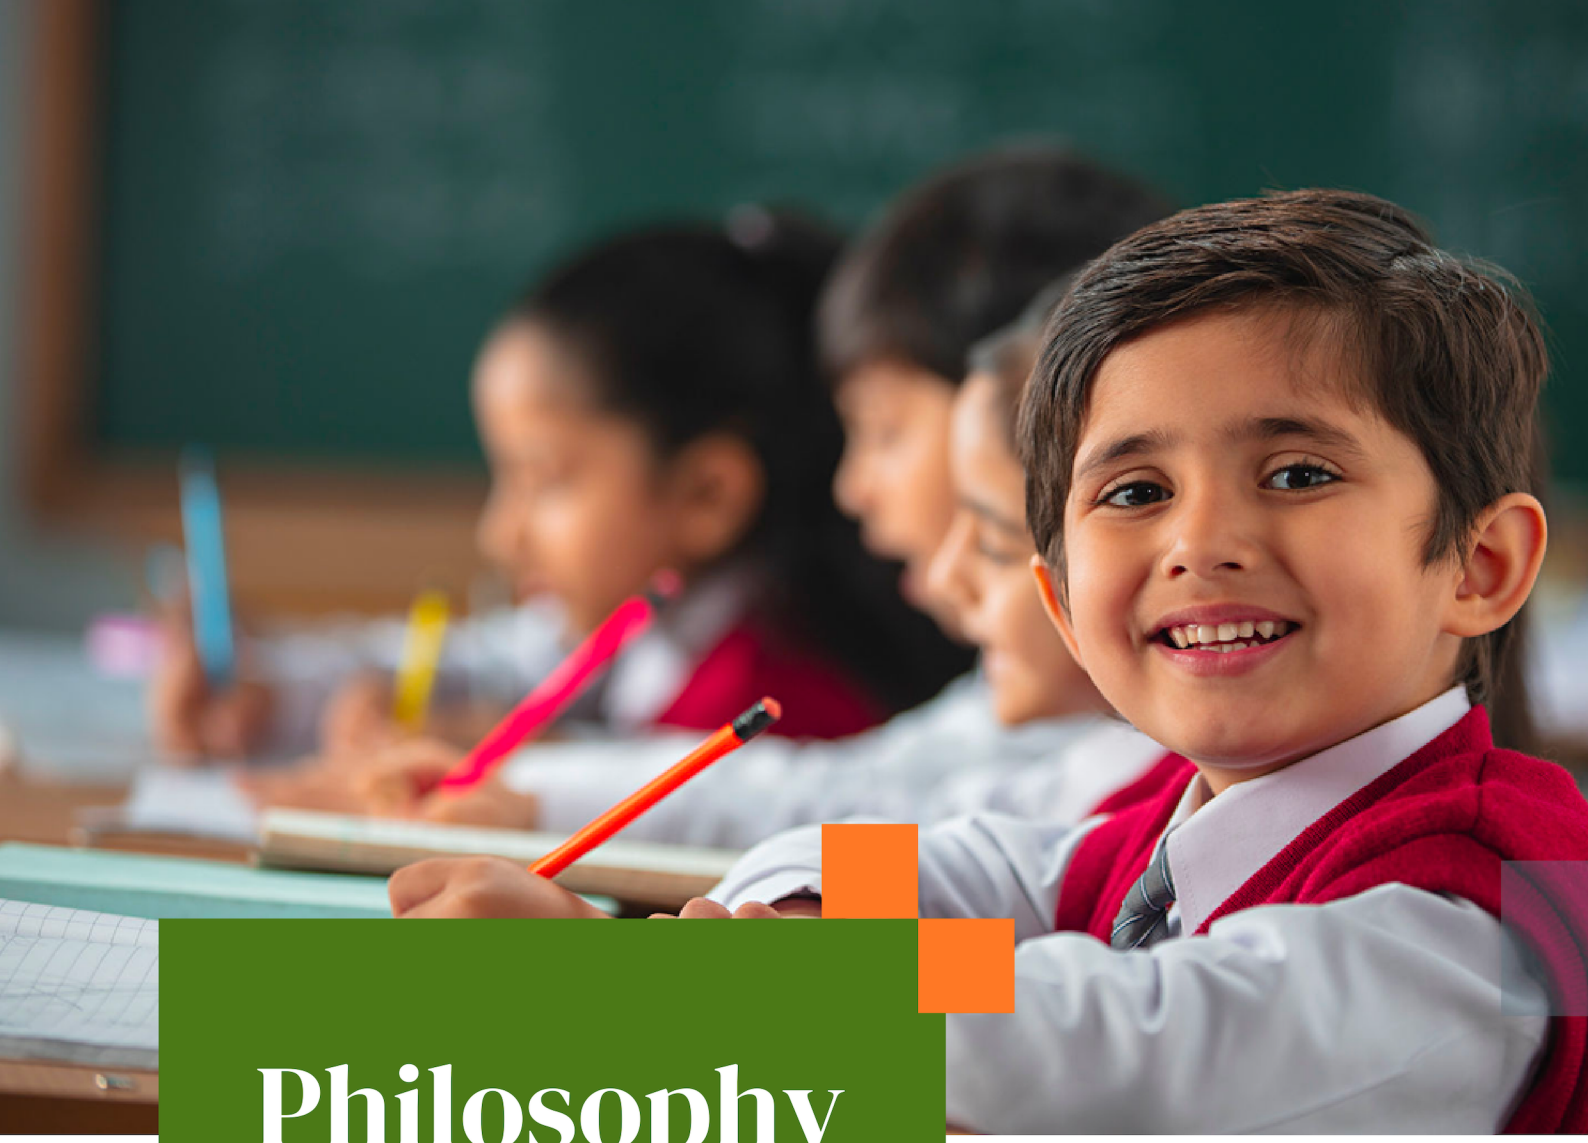

It gives me immense pleasure to share that we have achieved a significant milestone in our school's history. This year, we celebrate our 20th anniversary, marking two decades of excellence in education, growth, and countless achievements. This remarkable journey has been made possible by the dedication and unwavering support of our students, parents, faculty and staff. Together, we have created a thriving community that fosters learning, compassion, and personal growth.

In light of our commitment towards progress and innovation, this year the doors to our new campus, Red Oak High, have been opened. This state-of-the-art facility stands as a testament to our vision for the future and our determination to provide an exceptional learning environment. I am confident that this new chapter in our school's history will be marked by countless achievements and memorable experiences.Furthermore, I am delighted to share that we are now a Cambridge Registered International School.
As we gather the memories and accomplishments of this year for our yearbook, let us also celebrate these momentous milestones. Each page of this yearbook will reflect the spirit, achievements, and collective journey we have embarked upon together. It will serve as a cherished reminder of the friendships forged, the lessons learned and the growth experienced within our school community.

I extend my heartfelt appreciation to our exceptional faculty and staff who have worked tirelessly to create a nurturing and inspiring environment for our students. Your dedication, passion and commitment to education have been instrumental in shaping the lives of our students. Thank you for going above and beyond your duties to enable their success.
As we turn the pages of this yearbook in the years to come, may the memories captured within its covers bring smiles to our faces, warmth to our hearts, and a deep appreciation for the transformative power of education and community.

Warm regards,

With pride and gratitude,
Naadiya K Manzur
